Debate partners (Débat citoyen sur la voiture autonome)

Scientific committee

Missions Publiques put together a coalition of actors (local authorities, institutions, research centers and private partners) to carry out the debate : Sophia Antipolis Urban Community, La Rochelle Urban Community, Greater Paris Seine & Oise Urban Community, Rennes Conurbation, Toulouse Conurbation, The French Ecological and Solidarity Transition Department, Autonomy, Airbus, Allianz, Kéolis, The Mobile Lives Forum, Léonard (the VINCI research group institute).
