1. Authors

Daniela Rodríguez

Sociologist

A Sociology student and junior researcher in the research unit of the University of Santo Tomas (Colombia). She is part of the “Entropy” seminar at the Faculty of Sociology where she is conducting research on mobility and territories. Her research focuses on socio-spatial inequalities from an urban sociology standpoint.

Projects with the Forum

How the health crisis disrupted daily mobilities: testimonies from the inhabitants of Bogotá and Lima

Jérémy Robert, Vincent Gouéset, Florent Demoraes, Jimena Ñiquén, Hernando Sáenz, Omar Pereyra, Daniela Rodríguez
