# **Olivier Klein**

#### Researcher

Olivier Klein is a researcher and deputy director of the Laboratoire Aménagement Economie Transports (LAET, UMR CNRS - ENTPE - Université Lyon 2). He works on the evaluation of transport policies, infrastructure projects and socio-technical innovations, as well as on the transformation of mobility practices. With Stéphanie Vincent, he co-piloted the Covimob project.

## **Projects with the Forum**

# A sustained fall in post-COVID car use? The case of the Lyon metropolitan area

Stéphanie Vincent, Olivier Klein, Ali El Zein, Pascal Pochet, Adrien Beziat
