Adrien Beziat

Geographer

Adrien Beziat worked for three years at LAET as a post-doctoral researcher between 2017 and 2020. In particular, he worked on changes in mobility behavior linked to the pandemic context of 2020-2021. He is now a research fellow in geography at the Université Gustave Eiffel, within the Systèmes Productifs, Logistique, Organisation des Transports, Travail (SPLOTT) laboratory. His work focuses on the environmental assessment of urban logistics.
