Paula Bialski

Sociologue

Paula Bialski is a Polish-Canadian sociologist who recently received her doctoral degree from Lancaster University (May 2012). She has researched mobility, tourism and social networking, and the implications of the internet on offline interaction, friendship, trust, and social capital. She published her research in the book *Becoming Intimate Mobile*.

She also tours and records with her band Paula & Karol. (paulaikarol.com)

Publications with the Forum

Powering Down Through Sharing Economy
