Régis Boulat

Historien-ne

A lecturer in contemporary history at the University of Haute-Alsace, Régis Boulat is currently working on mobility governance in medium-sized cities, from the 70s to the present day. He has also explored the role of economic elites in the Glorious 30s, as well as sports and mountain leisure companies.

Projects with the Forum

Local policies of the mobility transition. The case of Belfort-Montbéliard

Robert Belot, Fabienne Picard, Régis Boulat, Bénédicte Rey
