Around the world in 80,000 clicks

By

Gwenola Wagon (Artiste, réalisatrice et chercheuse)

30 September 2013

In the age of virtual mobility, Gwenola Wagon and Stéphane Degoutin revisit Jules Verne's journey. However, what world are we entering when we navigate amidst all this information and visual representation? Who has created all this and made it available to us? What are there visions of the world? You can find another extract here : <http://globodrome.com>
