Mobil'Homme (EPFL)

Laboratoire de sociologie urbaine

Mobil'Homme is a spin-off of the EPFL's Urban Sociology Laboratory. Created in 2015 by three enthusiastic researchers- – Vincent Kaufmann, Emmanuel Ravalet et Stéphanie Vincent- it offers consulting, expertise and studies on issues related to mobility, territory and housing. Drawing on the expertise of its founders, Mobil'Homme approaches mobility as key way to understanding contemporary spatial, economic, social and environmental dynamics.
