

## 1. Authors

### **Juliette Maulat**

Géographe - Urbaniste

Juliette Maulat is an urban and land use planning lecturer at the University of Paris 1 and a member of the Géographie-Cités laboratory's CRIA team. Her research mainly explores the relationship between transportation and planning, local public action and the railway world. She is currently conducting several studies on metropolitan planning, mobility policies and urban production around train stations in France and Canada.
