1. Authors

Benoît Feildel

Planner

Benoît Feildel is a lecturer in urban Planning and Development (University of Rennes 2), and a researcher (UMR ESO). His research focuses on the sensory and affective relationship to space, and he focuses mainly on peri-urban areas. He co-directed the thematic review: “Les sens des circulations : les sens vécu, objectivé et pratique des mobilités spatiales” ( RTS, Vol.30, n°2-3).

Projects with the Forum

Ending automobile dependence (periurban and rural mobility)

Marie Huyghe, Laurent Cailly, Dominique Andrieu, Hervé Baptiste, Nicolas Oppenchaim, Denis Martouzet
