The University of Versailles (UVSQ) will host an international summer school on sustainable mobility (interdisciplinary approach to transportation, climate change and wellbeing) July 3-8, 2017 in Saint Quentin-en-Yvelines, France (Greater Paris area). Please, share this opportunity with all interested undergraduate and graduate students. This summer school is also open to professionals with an interest in the subject matter.

NEWS : Scholarships are awarded according to the quality of the application (based on the letter of motivation and the academic record/transcript of academic record). To be eligible, applications must be submitted before the 20th April 2017.

Application deadline is May 31, 2017. Participants will be evaluated throughout the summer school in order to receive a certificate of success.
